Milbank to host generator inventory liquidation sale

KANSAS CITY, Mo., August 14, 2017 – As Milbank [moves](#) to focus on core product offerings, a liquidation sale has been scheduled to deplete the remaining inventory of portable generators, digital inverter generators and transfer switches. These deeply discounted products are new, in the box with all units being sold as is.

The sale will include:

- Digital inverter generators up to 57% off average retail price
- Portable generators ranging from 3250 – 7500 watts up to 62% off average retail price
- Manual and automatic transfer switches starting as low as \$69

The liquidation sale is open to the public and will be held in the Milbank facility at 5601 Gardner Ave., Kansas City, Mo. on Sept. 15 and Sept. 16. Cash and credit card are the only accepted forms of payment. From Aug. 30 through Sept. 13, interested parties can purchase generators online at the sale price. Generators purchased during this time will be available for pick up during the two-day sales event.
